Parental Permission Form Photography

Written parental permission is needed before a young person can have their photograph taken at Group or District events.

Lower section is to be filled in by parent or guardian and returned to the Section Leader.

This consent form is for the holder and allows participation in individual and group photographs; however this can be reviewed or cancelled by the parent or guardian, in writing, at any time.

In the event of parental permission **NOT** being granted it is to be made clear to the young person involved that they cannot appear in any photographs and the Leader concerned should advise the photographer accordingly. It is not the photographer's responsibility to ensure that the young person being photographed has parental permission, this obligation remains with the Leader.

Photographs may be published in Scouting magazine, local or national newspapers and used on the Bradford North District Scouts website.

If any additional information is required please do not hesitate to contact the Section Leader.

Copyright of any image belongs to the photographer and not the subject.
